

How do the Friends help our library?

Friends of Cooper Memorial Library is a non-profit organization dedicated to serving the library. We support the library by raising money throughout the year to help make unfunded and underfunded programs possible. We also help make our library welcoming place in our community.

For example...

- The Adopt-A-Magazine Program provides more than 70 magazines and newspapers.
- Go Zone equipment and supplies are purchased to keep all its programs current and inspiring.
- Instruments and music for the Ukulele Club keep the group strumming along.
- Two huge used book sales (winter & summer) raise more than \$14,000 annually AND get a lot of great books re-circulated.
- Cultural Connection events-- including the Caribbean Festival (2016), the Wild West (2017) and Italy (2018) bring community members together for a day of fun.

- A special committee records, transcribes and edits veterans' stories. Special edition books are published as part of the annual Veteran's Memorial Program.
- Bus trips to various areas of interest in Florida are offered 6 to 8 times throughout the year.
- Several "just because" programs welcome patrons to the library during the year: De-Stress for the Holidays, the Cooper Memorial Library Birthday Celebration and Morning Munch.
- The Friends provide a luncheon for the library staff's in-service meeting and desserts for other special library meetings.

We try to help with any need the library directorship asks us to fund. Each year there is something interesting and exciting!
