What are Friends of the Library Doing?

The Friends of the Minneola Schoolhouse Library was organized just a few months

after the library opened in 2009. Our goal is to enhance library services by supplementing the basic services and programs provided by the library budget.

Friends add to library services with energy, time and ideas.

Funds are being raised through book sales

and generous donations by members of the community.

The Friends organization has assisted with storytime programs, a Holiday Open House and the Festival of Reading.

For 2010 we want to increase our circle of friends and thereby offer even more support to our wonderful Minneola Schoolhouse Library.

The Friends of the Minneola Schoolhouse Library supported the library in 2009 financially and in sharing their time and energy.

- Provided refreshments for children's program and Holiday Open House.
- Provided supplies for Write to the Troops campaign.
- A Friend prepared new books to enter circulation.
- A Friend made repairs for the library.
- A Friend is creating a Facebook page for our organization to increase awareness of library services.
