

Daily Chance at a Prize

Read something. Date your log.

You personally must bring
in the log to play the game.
No one else can play for you.

You can **play once a day**.

Only a few will win gift cards.

The real prize is that you may choose a
free book from the “bookshop” cart
each day you play.

How do you play? PLINKO. If you are
lucky you might get a golden ticket.

The only way to win is...
to come in and play the game.
