Warm Retirement
(Pantoum Poup)

We wished to retire where it's warm
Away from the cold and the snow
Our target to enjoy the sun perform
Somewhere shorts are apropos

Away from the cold and the snow
With palm trees swaying in yards
Somewhere shorts are apropos
Like summer pictures on postcards

With palm trees swaying in yards
And lemonade chilled in tall tumblers
Like summer pictures on postcards
With lawn chairs for afternoon slumbers

Our target to enjoy the sun perform
With lawn chairs for afternoon slumbers
We wished to retire where it's warm
